Brenda S. Reger, Director
Freedom of Information
National Security Council
Room 395, Old Executive Office Building
17th & Pennsylvania Avenue, NW
Washington, DC 20506

Dear Ms. Reger:

This is in response to your memorandum of 30 September 1982 in which you referred documents for CIA review as a result of the declassification request of Samuel Beer (FO82-326)..

We have carefully reviewed the information in the documents and our determinations are as follows:

Enclosed, Tab A, are copies of the documents. Documents NLK82-131 No. 1 and No. 1a can be downgraded to CONFIDENTIAL and released in sanitized form. Deletions were made under the criteria of Executive Order 12356 paragraph 1.3(a)(4) which concerns intelligence activities, sources, or methods.

Mr. Beer has the right to appeal the above determinations by addressing his appeal to the CIA Information Review Committee, in my care. Should he choose to do so, he should set forth the basis of his appeal. In accordance with Information Security Oversight Office Directive 1, appeals must be filed within 60 days.

We recommend, however, that the documents be reviewed by the Department of State and Defense.

Enclosed, Tab B, are your original letter and documents.

Sincerely,

~~75/~~ Larry R. Strawderman
